SECRET

GORKI HEAVY EQUIPMENT PLANT GORKI, USSR

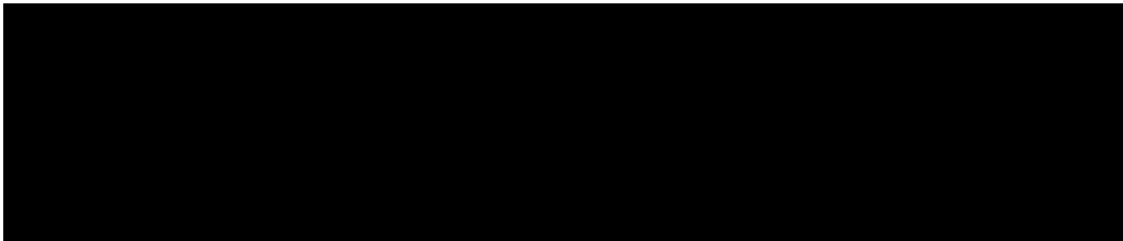

This memorandum is in reply to a request from ORR/D/I/SH for information concerning the size of two new buildings shown only on ground photography and their relative orientation within a plant shown on earlier aerial photography.

25X1D

Aerial photography dated [REDACTED] was studied in conjunction with ground photography dated 1953. By constructing a graphic plot and by careful scaling of both ground and aerial photography it was possible to properly locate the two new buildings within the Gorki Heavy Equipment Plant and to estimate their size.

Smallest of the two buildings	380' X 250'
Largest of the two buildings	680' X 330'
Distance between the buildings	380'
